

Get Out Stay Out and call 999

If normal fire services are
unavailable, it shouldn't
affect what you do in a fire -
get out and call 999
don't try to tackle
fire yourself

Stop fire before it starts

COOKING

- Always work carefully when cooking, whether with gas or electricity
- Never leave your cooking unattended
- Deep frying is prohibited

HEATING

- Portable electrical heaters are not permitted

CIGARETTES

- This is a no smoking property

MATCHES

- Use the lighting mechanism supplied for lighting the gas cooker.
- Keep any matches in a safe place

CANDLES

- The use of candles is prohibited in this property

FIRE DOORS

- Keep all fire doors closed
- Doors must not be wedged open

SWITCH OFF

- Switch off as many appliances as you can before bed
- Do not overload electric sockets
- Avoid overuse of extension cables

MAKE AN ESCAPE PLAN

- Plan an escape route for yourself and one for others in consultation with other members of the household
